

**REMARKS**

Reconsideration of the application as amended is respectfully requested. The Examiner has restricted examination of claims 1-41 in this application. Specifically, the Examiner restricted claims 1-23 and 38-41 to Group I as being drawn to a tool for transferring coil windings and a winding form assembly comprising the transfer tool, and the Examiner restricted claims 24-37 to Group II as being drawn to a method of forming coiled bundles of wire, method of transferring coiled bundles of wire and a method of forming a motor stator.

Although Applicant does not necessarily agree with the Examiner's reasons for restriction, Applicant elects to prosecute claims 1-23 and 38-41 of Group I. Therefore, Applicant has canceled claims 24-37 without prejudice for possible inclusion in a divisional application. This election is made without traverse.

If the Examiner believes that a telephonic interview will help speed this application toward issuance, the Examiner is invited to contact the undersigned at the telephone number listed below.

Respectfully submitted,

Date: 10/2/2006
